

## **All India foundation of deaf women**

All India foundation of deaf women is a platform to rehabilitate differently abled women with hearing challenge through various programs like cultural festival, beauty pageant, matrimonial sammelan, sports competitions, vocational training centers and national conference, which aims to help uncountable deaf in many ways.

The Walsons Group & Securitas has been associated with these rehabilitation initiatives and has made donations to the cause. This association not only empowers us to make a difference to the community but also brings in a sense of satisfaction after seeing the positive change in the lives of many.
